Subject: Ashley Palomaki - Acting DRC

Hello ORC,

I'm happy to announce that I have selected Ashley Palomaki to be Acting Deputy Regional Counsel while I am Acting Regional Counsel.

Ashley has been an Attorney-Advisor in ORC for the past five years. She is a respected attorney who has demonstrated outstanding skills and abilities in the Water Law Branch, primarily as the lead attorney on the Bristol Bay matter, but also as an enforcement and counseling attorney on a variety of Clean Water Act cases. She is excited about the opportunity to learn more about the operational aspects of ORC. Moreover, she has extensive FOIA experience, which will be helpful in the management aspect of her new role.

Ashley will begin transitioning to her new position with an effective date of September 1, 2018. The ORC managers welcome her to our team!

Lisa
